- Training of teachers, parents, and volunteers
- Conveniently pre-packaged art materials
- Year-round customer service
- Curriculum integration resources

what our users are saying

STUDENTS

"It's really fun to learn about different artists and how they lived. I think everybody should do Art in Action."

"I like coming to school on Art in Action days. I get to use my imagination, try different things and it's o.k. to make mistakes. It is fun!"

PARENTS

"The lessons cover a range of time periods and cultures. They expose students to many wonderful artists that are an important part of our culture."

"My child is so proud of her artwork. She loves telling me about the artists she studies."

TEACHERS

"Art in Action projects have a focus and teach technique while allowing the kids room to express themselves, which is what art is about, after all!"

"I weave the lessons in with other subjects like language arts, social studies, and math to reach all types of learning styles"
