Dear Keith Hames/Akoma Arts:

Thank you for blessing us with powerful African drumming during the African Ancestry Employees' Committee Black History Month Celebration on February 28, 2012. The spirit of the drums created a dynamic atmosphere and was very well received! Our goal to educate Social Services employees about the African Diaspora historically and today was achieved and by captivating the audience with the vivacious sound of the drum created the perfect ambience. Akoma Arts graciously gave of time and talent! On behalf of the African Ancestry Employees' Committee, we sincerely thank you for being an integral part of our Black History Month Celebration.

Asante sana,
